ENRICHING EXPERIENCES FOR OUR GUESTS AND OUR ENVIRONMENT

We believe that a responsible meeting is not only what you experience in the meeting room but also knowing that your hotel respects the destination around it.

We're proud to partner leaders in geotourism, the National Geographic Center for Sustainable Destinations. Our ambition is that guests enjoy enriching experiences that reveal what makes a place truly special – its heritage, culture and tradition – and the importance of protecting it.

At InterContinental we use a holistic approach to being a responsible business: to work from the grass roots up, recognizing each individual hotel team as the experts best placed to use their local knowledge for developing community and environmental initiatives that meet the specific needs of the destination. This Insider Collection gives delegates access to some of these unique experiences, and for those meetings that stay in the meeting room, you can be assured our hotel is working behind the scenes to protect what is special about the place for fellow travelers.

BUILD A BIKE, HELP LOCAL CHILDREN

This charitable teambuilding event is extremely high-energy and interactive, with delegates competing in teams to score points and to earn bicycle parts to build bicycles for a local children's charity. We keep the beneficiary of the activity a secret so that when the children enter at the end of the event (if possible), delegates get a brilliant surprise and reward for all their hard work. The event will conclude with a talk from the beneficiary organization, and if possible, local children will be there to receive a bike and bike helmet from each team in person!

DRESS FOR SUCCESS

Shopping and Dallas are synonymous. Did you know that Dallas has more retail stores and shopping centers per capita than any other US city? So, what better way to experience the Big D than with retail therapy while giving back to the community?

Your delegates will team up for a shopping marathon in an effort to purchase professional attire and accessories on a budget. Upon their return to the hotel, they can celebrate their contribution with a fashion show modelling their purchases, which will be donated to the Dress for Success Foundation.

The Dress for Success Foundation's mission is to promote the economic independence of disadvantaged women by providing professional attire, a network of support and the career development tools to help women thrive in work and in life.

Pull on your boots, and pull out the pots and pans for a fun Chili Cook-Off team-building event. Challenge your delegates to create their own 'Championship Chili' in a series of Chef-facilitated challenges and win 'Chili Bucks' to buy ingredients to spice up and customize their dish.

Our team of Chili 'Chef-a-Cilitators' will provide the equipment, as well as recipe suggestions, spices, ground meat and competition instructions. Each team will work together to name their chili, and design a slogan and apron logo. Teams win points for their use of resources, exercises, and team apron and, of course, their chili. Then everyone gets to enjoy the fruits of their labor and take home some useful new teamwork skills too.
