ENRICHING EXPERIENCES FOR OUR GUESTS AND OUR ENVIRONMENT

We believe that a responsible meeting is not only what you experience in the meeting room but also knowing that your hotel respects the destination around it.

We're proud to partner the leaders in geotourism, the National Geographic Center for Sustainable Destinations. Our ambition is that guests enjoy enriching experiences that reveal what makes a place truly special – its heritage, culture and tradition – and the importance of protecting it.

At InterContinental we use a holistic approach to being a responsible business: to work from the grass roots up, recognizing each individual hotel team as the experts best placed to use their local knowledge for developing community and environmental initiatives that meet the specific needs of the destination. This Insider Collection gives delegates access to some of these unique experiences, and for those meetings that stay in the meeting room, you can be assured our hotel is working behind the scenes to protect what is special about the place for fellow travelers.

REVITALIZE AND RESTORE THE CALIFORNIA COASTLINE

Feel the salty breeze caress your face and the warm sand cover your feet as you spend the afternoon preserving Santa Monica Beach and making a difference as part of the 'Nothin' But Sand' volunteer program.

Participate with Heal the Bay, a non-profit organization dedicated to the revival and preservation of California's 55 miles of coastline. InterContinental Los Angeles has partnered with Heal the Bay through the adoption of Venice Beach and four times a year, InterContinental employees spend the day cleaning the beach and giving back to the community.

We invite your delegates to join them collecting trash and debris along the shoreline. Your efforts will help provide a clean environment for biking, surfing, sun bathing and swimming as well as protecting our fragile marine ecosystem.

HELP FIGHT HUNGER AND STRENGTHEN YOUR TEAM

Spend the day with the Foodbank and “feed the soul while helping the hungry.” A perfect chance to give back to the community.

Dedicated to fighting hunger in communities, the Los Angeles Regional Foodbank has provided over 1,000 charitable sites with food for the past 37 years. In 2009, 54 million pounds of food were distributed in Los Angeles County.

Without dedicated volunteers, the Foodbank would not be able to provide food for thousands of hungry people every week. By choosing to volunteer, you and your meeting delegates will have the opportunity to clean, sort and repackage hundreds of food items for distribution.

An inspiring teambuilding event.
