Fascinating and engaging, motivating Insider Speakers range from celebrities and cultural experts to sporting heroes. Whatever their passion, they all have a local connection and you will discover that their unique insights and local know-how make your event one to remember.

INSIDER COMMUNITY

There's nothing quite like immersing yourself in the community to gain an added depth and understanding to your experience in a new destination. Insider Community has been designed to benefit local people and create truly memorable and meaningful experiences for your delegates too.

INSIDER INTERACTIONS

This team-building experience will help your delegates connect with each other as never before. Using the unique character, heritage or geography of your destination to inspire interaction, each experience, whether based on or off-site offers an original way to engage delegates and motivate them to build effective working relationships.

INSIDER BREAKS

With Insider Collection even your breaks are fulfilling experiences. From serving up a delicious lunch of provincial dishes for a taste of regional cuisine to spending some quality time with your Concierge team to get their best insider tips, a few minutes out of your busy schedule becomes a whole experience in itself.

ENRICHING EXPERIENCES FOR OUR GUESTS AND OUR ENVIRONMENT

We believe that a responsible meeting is not only what you experience in the meeting room but also knowing that your hotel respects the destination around it.

We're proud to partner the leaders in geotourism, the National Geographic Center for Sustainable Destinations. Our ambition is that guests enjoy enriching experiences that reveal what makes a place truly special – its heritage, culture and tradition – and the importance of protecting it.

At InterContinental we use a holistic approach to being a responsible business: to work from the grass roots up, recognizing each individual hotel team as the experts best placed to use their local knowledge for developing community and environmental initiatives that meet the specific needs of the destination. This Insider Collection gives delegates access to some of these unique experiences, and for those meetings that stay in the meeting room, you can be assured our hotel is working behind the scenes to protect what is special about the place for fellow travelers.
